Except with the President's consent, that Panel member cannot sit on the matter. Prior to the appointment of the sitting Panel, the Panel's executive liaises with the proposed members of the sitting Panel to obtain information as to any potential conflicts of interest. To assist the Panel members identify any potential conflicts, the information provided in the application is provided by the Panel's executive to the potential members. - 695. At the beginning of every Board meeting, there is an agenda item that calls for any new conflicts of interest that Board members wish to declare. All declarations are then minuted as part of the Board meeting minutes.

Further, the current Board member Code of Conduct states the following:

6. Managing conflicts of interest

Where possible, a Board member should avoid any conflict of interest (real or apparent) in connection with the performance of their Board responsibilities. This includes, among other things:

- *taking reasonable steps to disclose any likely conflict (real or apparent) to the Minister and/or Board Chair or Committee Chair;*
- *having regard to the potential impact of activities, interests and associations in private life on the impartial and efficient performance of their Board responsibilities; and*
- *being proactive and sufficiently comprehensive in disclosing (to all relevant interested parties) interests that could conflict (real or apparent) with their Board functions, including regularly reviewing and updating current declarations as appropriate.*

In the event of a conflict between an office holder's obligations under the APS Code of Conduct and their enabling legislation, the latter will prevail.

696. Under section 60-50 of the *Tax Agent Services Act 2009*, a Board member must give written notice to the Minister of any direct or indirect pecuniary interest that the Board member has or acquires and that conflicts or could conflict with the proper performance of the Board's functions.

On 15 December 2015, a Minute was sent to the newly appointed Minister for Small Business and Assistant Treasurer, the Hon Kelly O'Dwyer MP, to disclose conflict of interest declarations for all Board members. This is the Board's practice whenever a new Minister is appointed. There is also regular reporting to the Minister of any conflict of interest matters as and when the need arises.

Due to the appointment of a new Board on 22 January 2016, all newly appointed and reappointed Board members provided the Minister/Treasury with a 'Private interest declaration'.

In addition and as noted in question 693 above, at the beginning of every Board meeting, there is an agenda item that calls for any new conflicts of interest that Board members wish to declare. All declarations are then minuted as part of the Board meeting minutes. The Chair's remuneration is a pro-rata of the full time salary, as prescribed by Remuneration Tribunal Determination 2015/20.

697. The Chair and Board members are remunerated in accordance with the provisions of Remuneration Tribunal Determination 2015/20. Board members receive one daily fee (\$1,045) for attendance at formal meetings which are more than three hours in duration. Where meetings are less than three hours remuneration is reduced – 60 per cent of the daily fee (\$627) is payable where attendance is less than three hours and 40 per cent of the daily fee (\$418) is payable where attendance is less than two hours.

698. The Board does not have any statutory power to dismiss or terminate the appointment of a Board member. Under section 60-60 of the *Tax Agent Services Act 2009*, the Minister may terminate the appointment of a Board member for a number of reasons, including:
- for a full-time Board member – if the Board member is absent, except on a leave of absence, for 14 consecutive days or for 28 days in any 12 months; and
 - for a part-time Board member – if the Board member is absent, except on leave of absence, for three consecutive meetings of the Board.

Please note all TPB Board members, including the Chair, are appointed on a part-time basis.

Further, the Board's internal attendance standards coincide with the legislative framework as contained in the *Tax Agent Services Act 2009*.

699. No such requests have been made.
